wikipedian paranoia:

So fare quae sentias,
anonymous person
does the dirty work
to break the rules

the carnivalesque
hitting someone
That same system

denies the strict
subjectivity
the Pope was
pushed over
acts never were facts

not exactly

In a world of barbarians
the thing
can bleed out of his mouth.
But that's just me
Sublime and Real.

see sane for
The Orthodox Holy Fools
Talking Statues
In Medieval Rome
jumped the barriers
knocked him down
fattened the bees
and flayed the herd.

The Age of Absolutism

Questioning
the supreme powers
the Catholic Church and
the absolute monarchy in
the rising nation states
Sources in
17th century
France and Italy
faith without question
the divine power
of the monarch
the Emperor is God
*Le droit
divin*
a theoretical base for autocratic rule
the wrath of the people
the representatives
the tax collectors, judges
favorites etc.
ritually humiliated
thrown at
excrements and mud
(and other scatologies)

dragged through the streets (parade)
lynching of the representatives (parade)

All that went
wrong
projected

the king remains
innocent
temporarily blind

the misfortunes of his subjects
under the influence

religious wars
ravaged Europe

Tyrannicide & Resistance Theory
